INTRODUCTION

GNE'S APEX 2026 is a prestigious inter-school multi-event competition organized by the Causmic Club under the aegis of the Department of Applied Sciences, Guru Nanak Dev Engineering College, Ludhiana. Scheduled for Friday, 30th October 2026, the event is designed to bring together talented school students from across the region for a day of learning, creativity, innovation and healthy competition.

Inspired by the vision of the National Education Policy (NEP) 2020, which encourages collaboration among educational institutions to foster holistic development and experiential learning, GNE'S APEX 2026 extends GNDEC's commitment to academic excellence beyond the classroom. The event serves as a dynamic platform for students to interact, compete, exchange ideas and showcase their talents in an environment that nurtures curiosity, confidence and creativity.

Complementing the competitions, the APEX FAIR will transform the campus into a vibrant celebration inspired by the festive spirit of Diwali. Visitors can look forward to an engaging experience featuring beautifully decorated spaces, cultural performances, traditional crafts, festive delicacies, exciting games and interactive activities, creating an atmosphere of joy, celebration, and community.

At its core, GNE'S APEX 2026 is dedicated to identifying and nurturing the diverse talents of young minds. Through a thoughtfully curated spectrum of academic, technical, cultural, artistic and innovation-driven competitions, participants will be encouraged to explore their potential, develop essential life skills and gain valuable exposure beyond conventional classroom learning. The event reflects GNDEC's commitment to fostering holistic education by promoting intellectual growth, creativity, teamwork, leadership and sportsmanship.

Every aspect of GNE'S APEX 2026 has been meticulously planned and executed by the enthusiastic members of the Causmic Club, whose dedication and collaborative spirit have shaped an engaging lineup of activities aligned with the principles of NEP 2020. The event has been carefully designed to provide meaningful learning experiences while inspiring students to think critically, innovate confidently, and compete with integrity.

We express our sincere gratitude to our respected Principal, Prof. (Dr.) Sehijpal Singh, for his visionary leadership, constant encouragement and unwavering support. His guidance has been instrumental in transforming GNE'S APEX 2026 into a platform that celebrates excellence, innovation and the all-round development of young learners.

We cordially invite students, educators, and schools to be a part of this remarkable celebration of talent, knowledge and creativity. Join us at GNE'S APEX 2026 and the APEX FAIR to connect with peers, embrace new opportunities, showcase your abilities and create lasting memories. Together, let us celebrate the spirit of learning, collaboration, innovation, and youthful excellence.

PRINCIPAL'S DESK

Prof. (Dr.) Sehijpal Singh
(Principal)

It gives me great pleasure to welcome all the participating students, teachers, and schools to GNE'S APEX 2026, our prestigious inter-school multi-event competition. This event reflects Guru Nanak Dev Engineering College's commitment to fostering young talent by providing a platform for students to learn, compete, innovate and grow in an inspiring environment.
Aligned with the vision of the National Education Policy (NEP) 2020, GNE'S APEX 2026 encourages creativity, critical thinking, collaboration and holistic development through a diverse range of academic, technical, cultural and artistic events. I am confident that this experience will inspire participants to discover their potential and strive for excellence.
I sincerely appreciate the dedicated efforts of the Causmic Club and the organizing team for their commitment in making this event possible. I extend my best wishes to all the participants and hope they enjoy a rewarding experience filled with learning, healthy competition, and lasting memories.

HOD'S MESSAGE

Prof. (Dr.) Harpreet Kaur Grewal
(HOD - Applied Sciences)

It gives me immense pleasure to welcome all the participating students and schools to GNE'S APEX 2026, the prestigious inter-school multi-event competition organized by the Causmic Club under the aegis of the Department of Applied Sciences, Guru Nanak Dev Engineering College, Ludhiana.
GNE'S APEX 2026 is a testament to the enthusiasm, dedication, and organizational excellence of our students, who have taken the lead in planning and executing this event. Such initiatives provide invaluable opportunities to develop leadership, teamwork, creativity and problem-solving skills while fostering confidence and a spirit of collaboration.
I extend my best wishes to all the participants and congratulate the organizing team for their sincere efforts. May GNE'S APEX 2026 be a memorable celebration of talent, innovation and youthful enthusiasm.

COORDINATOR'S MESSAGE

Prof. (Dr.) Randhir Singh
(Coordinator, Causmic Club)

It gives me immense pleasure to welcome all the enthusiastic students, teachers, and schools to GNE'S APEX 2026, the much-awaited inter-school multi-event competition organized by the Causmic Club. This event is a celebration of talent, creativity, innovation and healthy competition, providing young minds with an inspiring platform to learn, collaborate, and showcase their potential.

Our vision behind organizing GNE'S APEX 2026 is to create a memorable experience where participants not only compete but also develop confidence, leadership, teamwork, and lifelong friendships. Every competition has been thoughtfully designed to challenge the intellect, creativity, and skills of students while encouraging them to explore new opportunities beyond the classroom.

I encourage every participant to embrace the true spirit of learning and sportsmanship, give their best and make the most of this wonderful opportunity. Wishing you all an enriching experience and every success at GNE'S APEX 2026.

CO-COORDINATOR'S MESSAGE

It gives me immense pleasure to extend a warm welcome to all the enthusiastic students, teachers and schools participating in GNE'S APEX 2026, our much-awaited inter-school multi-event competition. It is truly inspiring to witness the enthusiasm, creativity and potential that young minds bring to this remarkable platform.

GNE'S APEX 2026 is not merely a competition but a celebration of talent, innovation and collaboration. It provides participants with an opportunity to showcase their abilities, learn from one another, build meaningful connections and develop qualities such as teamwork, resilience and leadership in a spirit of healthy competition.

I extend my heartfelt best wishes to all the participants and congratulate the organizing team for their dedication and hard work. I hope GNE'S APEX 2026 becomes a memorable and rewarding journey for everyone.

Dr. Rajvir Kaur
(Co- Coordinator, Causmic Club)

  - DOWRY
  - POLLUTION
  - POVERTY
  - GENDER DISCRIMINATION
- Time Limit: 4-6 minutes. Negative marking for exceeding the time limit.
- The performance must be decent and must not contain any offensive content.
- Mail the tracks before 5 pm on 26th October, 2026 at harleenkaur0631@gmail.com

Event Head: Harleen (9463106543)

13. Line Following Robo

- A team must comprise 4 participants.
- Only 1 team is allowed per institution.
- This is an event in which you have to make a Line Following Robot.
- Teams must design, assemble and program the control circuit themselves. Only ready-made IR sensor arrays are permitted; all other ready-made kits are prohibited.
- Wireless communication of any kind is not allowed.
- The robot must complete the track fully autonomously.
- Timing starts when the robot is released from the start line and stops when it completely crosses the finish line.
- The fastest valid completion time determines the winner.
- In case of a tie, ranking will be decided by:
  - Fewer penalties
  - Fewer touches
  - Faster second-best attempt
  - Attempts & Penalties
- Each team will receive 3 official attempts and the best valid timing will be considered.
- Program modifications, hardware repairs and sensor alignment are permitted only between two consecutive attempts.
- Track Details
  - The competition track will be revealed only on the day of the event.
  - The track may include straight paths, 90° turns, smooth curves, round corners, semicircles and circular loops.
  - The line will have a width of 2 cm.
- Any violation of the rules will result in immediate disqualification.

Event Heads: Arin Rawat (9417123159), Aasa Singh (9115748476)

14. My Best Classroom Management Trick

- This event is only for teachers.
- A team must comprise of 2 teachers.
- Only 1 team is allowed per institution.
- A team must showcase one classroom management strategy or technique that they have personally used or consider it as practically effective in the form of a PowerPoint presentation.
- The strategy should be relevant to real classroom situations.
- A team may structure their PPT around:
  - The Challenge → The Trick → How It Works → Classroom Example → The Result
- Time Limit: 5 to 7 minutes. Negative marking for exceeding the time limit.
- Mail the ppt before 5 pm on 26th October, 2026 at harleenkaur0631@gmail.com

Event Head: Harleen (9463106543)
